Dear Mission Worker, Missionaries, Elders & Pastor;

As the Department of Mission, along with our Jurisdiction gathers ourselves together after the death of our beloved leader Bishop L. T. Blackshear, we are pressing forward in this our 2009 and Beyond Mission Conference, July 8th—11th, 2009.

Equipping The Church to Disciple in 21st Century, winning more souls. I would like to remind you; that we have not lost one gift, anointing, work or battle won in the ministry work under our great leadership of Bishop L. T. Blackshear. Nothing has changed according to our call to the work of the ministry that we have accepted to do in the State of Delaware. There are still souls to be saved, families to be healed, mothers, fathers and children looking for answers. The question is, how do we go beyond the loss of hope for tomorrow that has taken hold of even us? Thanks to God, our Father, He sent His Only Begotten Son, Jesus Christ to save us from our sins! If we have been serving Christ, not one thing has been lost, they are all in Him. **All people**, if they moved on they maybe where serving some other purpose. **All things**, good or bad, made for its purpose to expose the works of the deceiver. **All godly**; The Earth Is The Lords, **1 Corinthians 10:28**.

We seek to "Build On" the progress we have made in the past several years to continue the Mission Process in Local Churches and Communities throughout the state of Delaware, and now surrounding states and communities. We are asking again that you support us by registering with a \$20.00 seed, as well as churches seeking to place ads in our training journal.

Our (Goals;

- 1). Develop Local Mission Workers, (President in every local Church, with working officers)
- 2). Equipping The Church to Disciple in 21st Century, winning more souls.
- 3). Build the Spiritual and Working Knowledge of the Body of Christ To Win More Souls...

See Schedule of Workshops- You select dates within that month, we bring rest. . .

- 4). Promote Bishop's Holsey Vision for the Mission Work...
